RECEIVED
JUL - 9 2020

Attention: MDEQ Asbestos Section (Tommy)

Dear Sir,

This letter will confirm the submission of the Notification Form concerning the fourth of four houses which is currently located on Division Street. This house is also intended to be moved for the purpose of preserving Biloxi's history and to enhance the character of the city in the aftermath of Hurricane Katrina. This one pertains to the wood frame structure located at 956 Division Street which we intend to move to a vacant lot located at 366 Crawford in Biloxi. First let me thank you for your courtesies throughout this process and ideas concerning the relocation of the houses as well as your guidance on how to fill out the various sections of the notification form. I hope that I have carried them out to your satisfaction. I attached the material pertaining to this final structure which was contained in the RFP which identifies that the house was inspected and non-friable asbestos was identified in the siding of the house and the roof tiles.

Please let me know if the Notification Form needs any clarification or explanation. My phone number, should you need to reach me is (228)380-0471.

Appreciatively,

Jay Golden
