

Acknowledgments

The Erosion and Sediment Control and Stormwater Runoff Management Manuals were made possible via a U.S. Environmental Protection Agency grant and are products of a partnership project among the Mississippi Department of Environmental Quality, the Mississippi Department of Transportation, and the U.S. Department of Agriculture–Natural Resources Conservation Service (NRCS).

Volume 1 – Erosion and Sediment Control Manual was created by adapting the *Alabama Handbook for Erosion Control, Sediment Control and Stormwater Management on Construction Sites and Urban Areas* (2009), with Mississippi-specific information where appropriate. The State of Alabama graciously provided its *Handbook for Erosion Control, Sediment Control and Stormwater Management on Construction Sites and Urban Areas* for Mississippi to use as a template. Therefore, a special thanks is warranted to the following agencies who worked on Alabama’s Handbook: Alabama Soil and Water Conservation Committee, Alabama Chapter of the Soil and Water Conservation Society, Alabama Association of Conservation Districts, Alabama Department of Environmental Management, Alabama Department of Transportation, Associated General Contractors of Alabama, Home Builders Association of Alabama, and the USDA–NRCS.

Volume 2 – Stormwater Runoff Management Manual was created by adapting North Carolina’s *Stormwater Best Management Practices Manual* (2007) with Mississippi-specific information where appropriate. Special thanks go to the North Carolina Division of Water Quality, the North Carolina Department of Environment and Natural Resources, and North Carolina State University for their work in developing the *Stormwater Best Management Practices Manual*.

Steering Committee

Zoffee Dahmash

Mississippi Department of Environmental Quality,
Jackson, Mississippi

Kim Thurman

Mississippi Department of Transportation, Jackson,

Handbook Authors

Melissa Gordon Pringle, Ph.D.
Vice President/Principal Scientist,
Eco-Systems, Inc., Jackson, Mississippi

Jay C. Estes, AICP
Principal Planner, Eco-Systems, Inc.,
Hattiesburg, Mississippi

Kimberly M. Miller, AICP
Senior Planner, Eco-Systems, Inc., Gulfport,
Mississippi

Jeremy K. Blakeney
Staff Engineer and Construction Manager,
Eco-Systems, Inc., Jackson, Mississippi

Courtney VanderSchaaf
Scientist III, Eco-Systems, Inc., Gulfport,
Mississippi

J. Norman Sisson
Senior CAD Designer,
Eco-Systems, Inc., Jackson, Mississippi

Technical Advisors

Ramona Garner, Ph.D.
Plant Materials Specialist, East National
Technology Support Center

Special Thanks

Special thanks to the following individuals for providing photos for this manual:
