WET DECK LOG SPRAY WITH RECIRCULATION GENERAL PERMIT RE-COVERAGE FORM

FOR COVERAGE UNDER MISSISSIPPI'S REISSUED
WET DECK LOG SPRAY WITH RECIRCULATION GENERAL PERMIT MSG170063
GENERAL NPDES COVERAGE NO. MSG17

INSTRUCTIONS

The submittal of this form is required to receive coverage under the reissued Wet Deck Log Spray with Recirculation General Permit. This form must be completed and returned to the address printed at the bottom of page 3 within 45 days of the date of the Letter of Instruction for Re-Coverage. For expanding facilities, please also complete Recoverage Form Addendum.

The signatory of this form must be the owner or operator who is the current coverage recipient (rather than the plant/site manager or environmental consultant). The coverage recipient is responsible for permit compliance.

If the company seeking permit coverage is a corporation, a limited liability company, a partnership, or a business trust, then attach proof of its registration with the Mississippi Secretary of State and/or its Certificate of Good Standing. This registration or Certificate of Good Standing must be dated within twelve (12) months of the date of this submittal. Coverage will be issued to the company name as it is registered with the Mississippi Secretary of State.

If the facility is out of business or no longer a regulated facility, please request termination of coverage by completing the Request for Termination (RFT) Form found in the Wet Deck Log Spray with Recirculation General Permit. Facilities that continue to discharge wastewater without applicable permit coverage are in violation of state law.

Do not submit this form if submitting a "Request for Termination" (RFT).

ALL INFORMATION MUST BE COMPLETED (Enter "NA" if not applicable).

The Certificate of Coverage should be mailed to: owner/operator facility (please check one)

Are there any ongoing or proposed construction activities which involve the Wet Deck Log Spray Recirculation System (Please specify): NO

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

I further certify that I understand when coverage is terminated the facility is no longer authorized to discharge storm water associated with industrial activity under this general permit. I understand that discharging pollutants in storm water associated with industrial activity to waters of the state without NPDES coverage is in violation of state law.
