We have received the revised Mississippi Lead-Based Paint Abatement/Renovation Notification Form emailed 01/10/2024 for the above referenced facility. Based on the information provided, it appears you may commence operations as outlined in the notification.

Please remember to update the notification, as warranted, should any of the information provided change. It is imperative that notification information on file with the Agency match the activity to be performed. Please contact me at (601) 961-5171 should you have any questions or need further assistance regarding this or other lead-based paint related projects.

Sincerely,

Thomasina Horton
