**RE: University of Mississippi Medical Center (AI 1837)  
Large Construction General Permit MSR101976  
Notice of Construction Commencement  
Jackson, MS – Hinds County**

Dear Sir:

Andercorp has been awarded a contract to construct a New School of Nursing at the University of Mississippi Medical Center. This project is part of a larger common plan of development, referred to as the Master Plan which has coverage under Large Construction General Permit Number MSR101976. This project will disturb approximately 4.7 acres.

Our contact information is listed below:

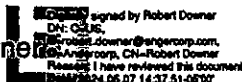

Prime Contractor Contact Person: Robert Downer  
Prime Contractor Company: Andercorp  
Prime Contractor Street or P.O. Box: 1404 24<sup>th</sup> Avenue, Suite 300  
Prime Contractor City: Gulfport State: MS Zip: 39501  
Prime Contractor Phone No.: (228) 678-7070 (Robert Downer cell phone (205) 873-9449)

Enclosed please find a completed Prime Contractor Certification and a scaled site map which depicts the proposed construction activities, the original and proposed contours, a north arrow, drainage pattern arrows, location of sensitive areas and adjacent receiving water bodies, location of any storm drain inlets, all erosion and sediment controls, any post-construction control measures, and the location of housekeeping practices. We tentatively plan to commence construction June 10, 2024.

If you have any questions concerning this matter or require additional information, please don't hesitate to contact me at the number listed above.

Sincerely,

Robert Downer

# PRIME CONTRACTOR CERTIFICATION

## LARGE CONSTRUCTION GENERAL PERMIT

Coverage No. MSR10 1976 \_\_\_\_\_ County Hinds

(Fill in your Certificate of Coverage Number and County)

MISSISSIPPI DEPARTMENT OF ENVIRONMENTAL QUALITY

By completing and submitting this form to MDEQ, the prime contractor is certifying that (1) they have operational control over the erosion and sediment control specifications (including the ability to make modifications to such specifications) or (2) they have day-to-day operational control of those activities at the site necessary to ensure compliance with the SWPPP and applicable permit conditions.

The owner(s) of the property and the prime contractor associated with regulated construction activity on the property have joint and severable responsibility for compliance with the permit. Notwithstanding any permit condition to the contrary, the coverage recipient and any person who causes pollution of waters of the state or places waste in a location where they are likely to cause pollution of any waters of the state shall remain responsible under applicable federal and state laws and regulations and applicable permits.
