**Removal of Asbestos from Chevron (Crude I and Coker)**

To whom it may concern,

Please find attached the notification form for the removal of approximately **1000 square feet** of asbestos containing insulation from various vessels within the Crude I and Coker Units. Removal is required to install new repads and nozzles.

The removal of asbestos from these areas is projected to start on **3/11/2024** and be completed by **5/1/2024** by Brock Services LLC, a certified asbestos company.

If you have any questions or comments regarding this notification, please call me at 228-934-7553

Sincerely,

**Erin Spencer, MSPH, CIH** ●●
