Removal of Asbestos from Chevron Piping - 34 Plant

To whom it may concern,

Please find attached the notification form for the removal of approximately **2800 linear feet** of asbestos containing insulation from **piping in Plant 34, Blending**. Removal is required as part of plant renovation efforts.

The removal of asbestos from this area is projected to start on **7/15/2024** and be completed by **9/30/2024** by Brock Services LLC, a certified asbestos company.

If you have any questions or comments regarding this notification, please call me at 228-938-4897.

Sincerely,

Adrienne Switzer
