Has another owner(s) or operator(s) assumed control over all areas of the site that have not reached final stabilization?

RESIDENTIAL SUBDIVISIONS:

YES. A copy of the Registration Form for Residential Lot Coverage for each lot or out parcel that has been sold and a site map, indicating which lots have been sold, are attached.

NO. Coverage may not be terminated until all areas have reached final stabilization.

COMMERCIAL DEVELOPMENT:

YES. A copy of the site map, indicating which out-parcels have been sold, is attached.

NO. Coverage may not be terminated until all areas have reached final stabilization.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations. I understand that by submitting this Request for Termination and receiving written confirmation, I will no longer be authorized to discharge storm water associated with construction activity under this general permit. Discharging pollutants associated with construction activity to waters of the State without proper permit coverage is a violation of state law. I also understand that the submittal of this Request for Termination does not release an owner or operator from liability for any violations of this permit or the Clean Water Act.

RE: Large Construction General Permit No. MSR107281 Termination Request

Dear Mr. Lancaster:

Please find attached the Request for Termination (RFT) of Coverage for Large Construction General Permit No. MSR107281 at Weyerhaeuser's industrial landfill located near Bruce, Mississippi. It should be of note that the proposed expansion project covered under this permit never began.

If you have any questions regarding the attached RFT please give Wes Clay, Environmental Manager for the facility a call at (662) 436-0822.

Sincerely,

Benjamin Herrin, Unit Manager
Weyerhaeuser NR Company
