Removal of Asbestos from Chevron Piping – 34 Plant

To Whom it May Concern:

Please find attached the notification form for the removal of approximately **2800 linear feet** of asbestos containing insulation from **piping in Plant 34, Blending**. Removal is required to allow for structural repair.

The removal of asbestos from this area is projected to start on **9/30/2024** and be completed by **10/30/2024** by Brock Services LLC, a certified asbestos company.

If you have any questions or comments regarding this notification please call me at 228-938-4731

Sincerely,

Erin Spencer, MSPH, CIH
