Re: Wet Deck Log Spray General Permit Re-Coverage Form
Hankins Lumber Company Number Two
Permit No. MSG170033
Agency Interest No. 1534
Grenada, Mississippi
Grenada County

Dear Ms. Rudolph:

Pursuant to your letter, we understand that the Wet Deck Log Spray General Permit for Industrial Activities (MSG17) was reissued on July 31, 2017. Hankins Lumber Company Number Two (Hankins) has retained the services of Environmental Compliance & Safety, Inc. to prepare the necessary forms for this re-coverage. Information regarding the facility name, contact, SIC code, latitude/longitude of the facility, and stormwater outfalls covered by this general permit has been updated and is attached in the re-coverage form found in Attachment I. In addition, Proof of Registration with the Mississippi Secretary of State is provided as Attachment II.

Per the instructions provided for re-coverage, we understand that expanding facilities are further required by MDEQ to submit a *Re-coverage Form Addendum*. Hankins has not, and is not planning on expanding its Wet Deck operations at this time and, therefore, has not completed the addendum.

If you have any questions concerning the attached information, please feel free to contact me at (662) 840-5945 or Howard Gardner of Hankins at (662) 226-2961.

Sincerely,

Caleb James
Project Manager
