PRIME CONTRACTOR CERTIFICATION

LARGE CONSTRUCTION GENERAL PERMIT

Coverage No. MSR10 County Jackson

(Fill in your Certificate of Coverage Number and County)

MISSISSIPPI DEPARTMENT OF
ENVIRONMENTAL QUALITY

By completing and submitting this form to MDEQ, the prime contractor is certifying that (1) they have operational control over the erosion and sediment control specifications (including the ability to make modifications to such specifications) or (2) they have day-to-day operational control of those activities at the site necessary to ensure compliance with the SWPPP and applicable permit conditions.

The owner(s) of the property and the prime contractor associated with regulated construction activity on the property have joint and severable responsibility for compliance with the permit. Notwithstanding any permit condition to the contrary, the coverage recipient and any person who causes pollution of waters of the state or places waste in a location where they are likely to cause pollution of any waters of the state shall remain responsible under applicable federal and state laws and regulations and applicable permits.

**Subject: SWPPP Upload
Gulf Island National Seashore**

I tried uploading the NOI and SWPPP together on this site and each time stated the file was too large. I have reduced the file as much as possible and it is still 11.6 MB and I understand your site only accommodates 10 MB.

Enclosed you will find the MSR10 LCNOI form along with the SWPPP. Your assistance with the processing of said NOI would be greatly appreciated. If you have any questions or concerns, please contact me at any time.

The uploads where attempt on four separate occasions, with each one starting fresh by exiting the site and logging back on as well as on separate days. The next couple of pages are screen shots.

Respectfully,

Wayne Gardner
