is proposing to construct and operate a Dry Litter Poultry Animal Feeding Operation (to construct and operate poultry/chicken house(s)). This poultry facility has \_\_\_\_\_ existing house(s); the applicant proposes to build \_\_\_\_\_ new house(s). If permitted, the operation of the poultry house(s) will involve the management of dry animal waste and may involve the operation of an incinerator. The operation shall **NOT** have a discharge of process wastewater or contaminated stormwater. The Natural Resource Conservation Service (NRCS) will develop a Comprehensive Nutrient Management Plan (CNMP) to address the management of the animal waste. The CNMP will become an enforceable part of the permit along with other conditions which will allow the facility to operate within all state and federal environmental laws and regulations. The permit can be found at the following link: <https://www.mdeq.ms.gov/dlpgp/>

This letter is to provide you notification of the proposed project and to provide you an opportunity to comment regarding environmental concerns about the project. MDEQ only has legal authority to consider environmental issues specified in the applicable laws and regulations. MDEQ does not have legal authority to consider matters outside of its jurisdiction; thus, comments regarding zoning or other non-environmental related comments should be directed to the local zoning and planning authorities.

If you do not have environmental comments regarding the proposed project, then no response is necessary and the permitting process will continue. If you have environmental comments regarding the proposed project, please notify MDEQ in writing within thirty (30) days from the postmarked date of this notification or by the end of the MDEQ 10-day online notification period, whichever is later. The online notification of the project can be found at the following link: <https://www.mdeq.ms.gov/ensearch/general-permit-notice-of-intents>. When making written comment, please reference the proposed project using the information above and provide your contact phone number and address. If you would like to request records or discuss concerns that you have regarding this project, please feel free to contact MDEQ at (601) 961- 5171.
