Re: Wiggins Plywood Plant
Stone County, Wiggins, MS

Dear Sir/Madam:

Please find enclosed a Request for Transfer of Permit form for the Wet Deck Log Spray General Permit, Permit No. MSG170029. As has previously been reported to MDEQ, Hood Industries, Inc., sold the property in Wiggins, MS, which previously was being used for plywood manufacturing, to Sherrill Coastal Holdings, LLC, on October 7, 2026.

Plywood operations will no longer be conducted. However, we have been informed that the continued existence of the wet deck log spray recycle pond requires coverage under this General Permit.

Please contact me with any questions.

Sincerely,

John Sherrill
Principal
